

TOWNS COUNTY BUSINESS SHOWCASE

Vendor Registration Details

The Towns County Chamber of Commerce is hosting a Business Showcase for all local businesses. This event is open to Chamber members AND non-members! The Showcase is designed to help YOU promote and market your business to the general public and to other business owners. The event will be promoted heavily through social media, the local newspapers, radio and internet. The goal of the Business Showcase is to feature area businesses and raise community awareness that these services and products are available right here in our own community. The Towns County Chamber of Commerce strives to be “the place” to go for referrals. As Chamber membership grows so do the number of referrals! The Business Showcase is a wonderful opportunity for business owners to meet potential customers and for customers to meet potential service providers. Act now—reserve your space at the upcoming Business Showcase!
